Epson Announces Two New Additions to the EcoTank L-Series Ink Tank System Printer Line-up

Singapore, 3 December 2018 – [Epson Singapore](#) has announced the addition of two new EcoTank L-series ink tank system printers models – L1110 and L5190 – to the existing EcoTank family, following the launch of L3110 and L3150 in October.

Designed for smart businesses, both the **EcoTank L1110** and **EcoTank L5190** feature an ISO print speed up to 10 ipm (mono) / 5.0 ipm (colour) to maximise

productivity and enhance business performance. Both EcoTanks have an ultra-high page yield of up to 4,500 pages for black and white, up to 7,500 pages for colour prints, and they also support borderless photo printing up to 4R.

Availability: Both the new EcoTank L1110 and L5190 are available islandwide from 1 December 2018 as part of Epson Singapore's Christmas promotion: <https://www.epson.com.sg/xmas-promo-2018>

Pricing: The EcoTank L1110 (print only model) is priced at SGD199, while the EcoTank L5190 all-in-one is priced at SGD399. Both the new EcoTank printers come with 2 years carry-in warranty or 30,000 pages; whichever comes first.

About Epson

Epson is a global technology leader dedicated to connecting people, things and information with its original efficient, compact and precision technologies. With a lineup that ranges from inkjet printers and digital printing systems to 3LCD projectors, smart glasses, sensing systems and industrial robots, the company is focused on driving innovations and exceeding customer expectations in inkjet, visual communications, wearables and robotics.

Led by the Japan-based Seiko Epson Corporation, the Epson Group comprises more than 80,000 employees in 86 companies around the world, and is proud of its contributions to the communities in which it operates and its ongoing efforts to reduce environmental impacts.
